An *Employee* who believes that they have a problem arising out of the *interpretation*, application, administration or alleged violation of the Collective Agreement, shall first discuss the matter with their immediate Supervisor within five (5) weekdays of the date they first became aware of, or reasonably should have become aware of, the occurrence. This process shall be initiated by verbal or written communication and concluded in the same manner. The *Employee* shall have the right to be accompanied by the Job Steward or Business Agent while discussing the matter with the immediate Supervisor. A sincere attempt shall be made by both *parties* through discussion to resolve the problem at this level. The Immediate Supervisor shall advise the *Employee* of the decision within five (5) weekdays of the date when the matter was first discussed. The decision of the majority is the award of the Arbitration Board, but if there is not majority, the decision of the Chairperson governs, and it is then deemed to be the award of the Board. It is recommended that the decision of the Chairperson be provided within ninety (90) calendar days from the hearing.
- 8) Each Party to the Arbitration shall bear the expense of its respective nominee to the Arbitration Board and the two (2) *Parties* shall bear equally the expenses of the Chairperson.
