

WINTER ORGANICS COLLECTION

Green organics carts will be collected from March 13-17 on your regular waste collection day. In the winter, green organics carts are collected during the second week of the month. Use the City's waste sorting app to subscribe for waste collection reminders and learn how you can reduce your food waste. Never forget when organics are collected again.

Collection dates and the Trim Your Trash app can be viewed at sprucegrove.org/Organics.

Danger! Thin Ice!

Please stay off the ponds in Spruce Grove! They may look safe, but the ice is unstable and they are not safe to skate or walk on (pets too!).
