TOPIC: Quantity of Pressure Washers at Public Works

DATE OF REQUEST: November 7, 2023

DATE OF RESPONSE: November 8, 2023

QUESTION:

There were line items for pressure washers for 2024 and 2025 in the budget. Is there more than one pressure washer?

Response

There are two pressure washers at Public Works, each will require replacement as they are at the end of their lifecycle.

Background

The lifecycle replacement plan has been established to manage civic infrastructure fleet equipment assets to ensure functionality and productivity for the organization. The maintenance and replacement of the assets is planned for optimal lifespan and to limit downtime from fleet breakdown.

Financial Implications/Taxation Impact

As identified in the Municipal RMR Community Facilities Fleet (Equipment) Lifecycle Replacement Plan in the 2024 - 2026 Recommended Corporate Plan on page 130.
