News You Can Use

The Re-imagined Central Park revitalization project is underway!

Register to receive email updates and follow along with the progress at sprucegrove.org/ReimaginedCP.

Work schedule to start on the Harvest Ridge stormwater facility rehabilitation project

Upgrades to the Harvest Ridge stormwater facility started May 7 and are anticipated to be ongoing until mid-August. These improvements will include repairs to the current depth of the stormwater facility, which will help to reduce algae build up and improve drainage.

To facilitate this work, the stormwater facility will need to be emptied, which is expected to take around six days to complete. Other project work will include the excavation and reconstruction of areas within the stormwater facility, as well as the removal and replacement of infrastructure support structures to improve drainage and landscaping.

Thank you for your patience during construction.

Visit sprucegrove.org/ConstructionProjects for more details.

Changes to the Quality Management Plan

To provide homeowners more certainty in their home's development, we've made changes to our Quality Management Plan to help ensure our building safety values are in line with industry standards.

The City will now require all contractors – plumbing, gas and electrical – to request inspections at both rough-in and final stages of new construction, and the minimum value for building inspections has increased. These improvements provide homeowners with an extra layer of protection in the building process and allows the City to review construction quality and compliance.

For more details visit sprucegrove.org/QMP.

Residential street sweeping is underway

Residential street sweeping has started and will take place weekdays, weather permitting. To find out when street sweeping is scheduled for your neighbourhood, visit sprucegrove.org/Sweeping.

Please give crews plenty of room to work and help us keep our streets clean by removing vehicles and other items from the roadway. In doing this, you help us ensure motorist safety and keep debris from ending up in the City's stormwater network. Our crews are also able to provide a more effective and efficient service to the community.

Council Meetings

Regular Council meeting Monday, May 13, 2024

Spruce Grove City Council's Regular Council meeting on Monday, May 13 at 6 p.m. will be open to the public and live streamed at sprucegrove.org/Agenda.

Members of the public may participate in the Public Input Session either in person or virtually. Virtual participation may be done by registering by email cityclerk@sprucegrove.org or by calling 780-962-7615 before noon on Monday, May 13.

Alternately, residents can submit a statement or a question to be read on their behalf by emailing cityclerk@sprucegrove.org until the Public Input Session is complete.

City Council and Governance and Priorities Committee Meeting agendas and meeting minutes are available at sprucegrove.org/Agenda.

Canada Day volunteers wanted

Want to be involved in our biggest community celebration as more than just a spectator? We are recruiting Canada Day volunteers and applications are now open! Visit sprucegrove.org/CanadaDay for details.

Spruce Up Spruce Grove!

Help keep Spruce Grove beautiful! Register your team, business, school or family to Spruce Up Spruce Grove! The community-wide clean-up runs until May 22. Join us for a free celebration and tree planting event on May 25! Details at sprucegrove.org/SpruceUpSpruceGrove.

Notice of development permit decisions

The following development permits for discretionary uses and variances have been approved under the provisions of the Land Use Bylaw. This list does not include Permitted Uses. For a full list of all Development Permit decisions, as well as how to appeal a decision of the Development Officer to the Subdivision and Development Appeal Board, please visit sprucegrove.org/DevPermitNotices. Please direct any questions to the Planning and Development Department at 780-962-7582, Monday to Friday from 8:30 a.m. to 4:30 p.m.
